The Councillorship for the Environment of the Municipality of Florence with the collaboration of ETA Florence – Renewable Energies is organising a morning workshop (9.00am – 1.30pm) on 1st October on Biofuels, Sustainable Mobility and Alternative Fuels Vehicles for the Italian market:

“The alternative fuels in the wider context of the Sustainable Mobility:  
results from the European project PROCURA”

**PROCURA**

[www.procura-fleets.eu](http://www.procura-fleets.eu)

The workshop is planned on the 1st October 2008 c/o:

Palazzo vecchio (Municipal Building) – Piazza Signoria, 50122 , Florence, Italy  
Hall: Salone de' Dugento

The workshop will be introduced by the Environment Assessor of Florence, Mr. Claudio Del Lungo.

The major target audiences are Local authorities, European authorities, private fleet owners involved in the “green management” of their fleet, lease companies, maintenance and repair shops, infrastructure developers, branch organisations (automotive), expert in the field of Sustainable Mobility.
