The forum for European stakeholders
on small-medium scale
Biomass CHP systems

What is BIOCOGEN-2030

BIOCOGEN-2030 is an open network arising from the experience of the **BLAZE** and **Smart CHP projects**, it aims to:

- Gathering stakeholders active in the field of biomass CHP systems
- Knowledge Sharing
- Promotion of innovative Biomass-CHP technologies and solutions
- Debate forum

[Open to Companies, Universities, Research bodies and Associations]

Do you have a project
on CHP from
biomass?

You can present it!

EUBIA's virtual exhibition area will host BIOCOGEN 2030

e-EUBCE 2020 “Speak out session”

When? 7th July 2020 (TBC)

Where? Zoom webinar - EUBCE (side event)

Aim: Give the opportunity to present promising projects in the field of cogeneration from biomass and extend the BIOCOCEN 2030 network

Wrap up – what can we do for you?
